

Sprint Tournament # 5 July 16, 2006

On a very hot day at the Hellyer Park velodrome, 21 adults and 6 young juniors braved the elements to race in sprint tournament #5, and a fun day was had by all as folks huddled under the tents and umbrellas to stay out of the sun when they weren't racing.

We ran a mixed race day this time around, starting with the normal 200 meter time trials to seed for the match sprints and then did some 500 meter and kilo time trials while the seeding was being done.

Thanks again to Richard Brockie, Linelle Nothcott, Marc Franklin and my wonderful wife Anne for helping me run the show. The next tourney will be Sunday, August 27.
