Please use the same race number next week

To encourage riders to challenge themselves and ride with the higher group in the final Points Race, the B/C Points Race is not worth as many points as the A/B Points race. This week provided a good example. Two Group B riders display how to earn B Omnium point in two different Points races. Steve McFarland finished 4th in the B/C Points race and earned 1 Omnium Point (B's earn 5-3-2-1) while Scott Rodamaker finished 5th in the A/B Points race and Scored 2 omnium points (scored 10-7-5-3-2-1)
