Summer has arrived! It was very warm at the track for this month's sprints, and 39 people showed up - most ever. People were also going pretty fast for April with many PR's and seven riders going under 12.0 for their 200.

The group was led off by Shawn Hatfield with 11.75, followed by Matias Elgart, Steve Peleaz and Terry Tennette, all at 11.80. Shawn didn't race because of allergy problems, so Matias moved into the top seed spot.

The riders were split into groups of six, based on 200 meter times, like last month, and everyone raced everyone else in their group in a round robin format. Most everyone did three 2 ups and one 3 up.

Anne and would like to thank everyone who came down to race. You guys all raced hard and we had fun helping out. I can't think of a better way to spend four hours on a beautiful afternoon.

Here are the 200 meter times
