

Sprint Tournament, June 30, 2008

On another beautiful Monday evening, we were joined by several of Andrew Lanier's Juniors - and a good time was had by all. Only twelve riders came down, so we went ahead and did 200's and then went into several round robin match sprints. For the most part, the riders rode against others of similar speed as we broke the groups up based on 200 meter times. Towards the end of the evening we did have some cross matches and everyone seemed to enjoy them.

200's were slow
