2-1/2 hours of racing, 3 hours of the Beatles!

"When I get to the bottom I go back to the top of the slide
Where I stop and I turn and I go for a ride
And I get to the bottom and I see you again"
Helter Shelter, White Album, The Beatles, circa 1968

On August 18th we're going with Live! Music... not an actual band playing live, but a totally wide range of live recordings.

Least we forget that the racing was fun! We had so many B's we had to split them up. That's a good sign that track cycling is booming in San Jose! Even still, the B's are the best races to watch. 13 of 20 starters scored in the first race and 15 of 19 starters scored in the 2nd race... that's competitive!

A blown amplifier meant no music for the night, but the racing was great fun. We wrapped up this 10 week Tuesday night points race program in style. 390 riders in total, or about 3 riders per night more than 2008, \$3575 raised for our Velodrome, 71% men, 20% women and 9% juniors, and some great racing. Oh, and we did not have a single crash on a Tuesday night points race!

Steve Anderson presented me with a few of these posters that he made up. I can't wait until we dive into 2010. Good times ahead!

My daughter Aubrey helped me set-up for the night and was there to sell drinks and goodies to collect donations for her Team and Training Triathlon. You can follow her progress (and make tax deductible donations) at: <http://pages.teamintraining.org/sf/bigktri09/anolan>

Thank you all for supporting this series, and especially thanks go out to Clif Bar, Peet's and Jen Coler for her brownies!
