

Fast Track Upgrade for Road Pro, Road Cat. 1 and 2

Riders who are Pro or Category 1 on the road may be approved to submit a request to be upgraded to Category 2 on the track and riders who are Category 2 on the road may be approved to submit a request to be upgraded to Category 3 on the track without first having to begin at Category 5 by:

- (1) Passing a written test before participating in a race at Hellyer; and
- (2) Have the approval of an NCVA Board-Approved Observer ("BAO"). The BAO must observe the rider during a Hellyer racing session, in a race category approved by the BAO. After the rider races, the BAO can either approve their request to submit an upgrade, or ask the rider to return and race again before they are allowed to race in a categorized race.

As of June 16, 2011, Board-Approved Observers include:

Warren Geissert
Michael Hernandez
Andrew Lanier, Sr.
David McCook
Larry Nolan
