**Parking:** \$6 daily parking fee by Country Parks (year pass available). **You must pay parking.** Credit cards may be used at the entrance kiosk ~ but when you do so, please drive your vehicle through the narrow park entrance and park a few meters into the park so others may enter the park entrance ... thanks!

**Prizes:** Cash prizes for all categories based on # of entrants. All registration fees (other than NCVA user fee) will be distributed back to racers as cash prizes. Cash prizes for all categories. Merchandise prizes may be entering the equation, as well. Please check back for more information.

**Series Events** (all Friday Nights)  
**Pro 1,2 Sprints** (and 3 w/application; reserved spots available, contact M.Hernandez, pedalhome @ hotmail.com)  
**Master's Scratch 40+/50+ 1,2,3,4** (scored separately, raced separately as possible)  
**Women's Points 1,2,3** (and 4 upon application, contact M. Hernandez, pedalhome @ hotmail.com)

**Non-Series Events** (select Friday Nights)  
 Stay tuned! The goal is to have high-quality events that piggy-back the Series Events, so that most racers may choose to race at least twice per night. Friday nights are to hang out with your friends at the track and watch/ride some great racing.

**SPECTATORS ARE WELCOME AND WILL BE TREATED RIGHT!** Food and beverages, embarrassingly free form announcing, and music to boogie to ... all at your local Hellyer Park Velodrome!

(for more information on Friday Night's at Hellyer, please contact Michael Hernandez, pedalhome @ hotmail.com - [updated April 18, 2008](#))
